

“We believe in who we are and we cook as we know how, without giving up anything that has been built so far, and with the search for excellence and customer service as the backbone of our project.”

Oriol Castro, Eduard Xatruch and Mateu Casañas

Creation of CXC

The creation of the CXC brand was born out of the need to encompass all the projects we currently have under the same umbrella, without intervening in their own characteristic images

In 2012, we decided to become partners

Being 100% independent, without third parties within the business. We are totally autonomous and free.

Since then, we have opened restaurant Compartir in Cadaqués (2012), restaurant Disfrutar in Barcelona (2014) and restaurant Compartir in Barcelona (2022). The gastronomic consulting space (2018) and we created the CXC Brand (2021).
